## Degree Requirements

To earn a Bachelor of Arts in Liberal Arts and Sciences degree from UIC, students must complete University, college, and department degree requirements. The Department of Anthropology degree requirements are outlined below. Students should consult the [College of Liberal Arts and Sciences](#) section for additional degree requirements and college academic policies.

<b>Summary of Requirements</b>	
Major Requirements	35-36
General Education and Electives to reach minimum Total Hours	84-85
<b>Total Hours</b>	<b>120</b>

3. You will be shown the following pop-up window. Select the line to be edited and enter edits in the fields provided. **Note:** Total Hours is automatically calculated by Courseleaf. If a requirement has a range of hours (35-36 for example), you may need to specify which number should be included in the total hours with a colon (e.g., 35-36:36 will add 36 hours to the total hours). Using the colon function allows the catalog to display the correct hours required for the degree, rather than a range.

The screenshot shows the 'Course List' pop-up window. It features a 'Select College...' dropdown, a 'Sum Hours' checkbox, and a 'Summary of Requirements' table. The 'Major Requirements' line is highlighted in blue. Below the table are fields for 'Comment', 'Sequence', 'Cross Reference', 'Or Class', 'Hours', and 'Footnote'. The 'Hours' field contains '35-36:36'. There are also 'Move Up' and 'Move Down' buttons. At the bottom are 'OK' and 'Cancel' buttons. Annotations with red arrows point to the 'Sum Hours' checkbox, the highlighted 'Major Requirements' line, the 'Hours' field, and the 'Add Comment Entry' button.

When checked, Courseleaf auto-calculates Total Hours.

Select the line to be edited.

For entries with a range of hours, use a colon to specify which number should be included in the Total Hours. (35-36:36 will add 36 to the Total Hours).

Add new lines using the "Add Comment Entry" button.
